WELCOME TO SNOWFLAKE GALA

A MESSAGE FROM OUR BOARD CHAIR AND INTERIM PRESIDENT & CEO

The sky's the limit for kids' health care in Alberta – and we invite you to reach for the stars with us.

We like to dream big. We know that transforming children's health care needs to happen not only for the kids who urgently require it today, but for the kids and families who will rely on it tomorrow. For us, this means advancing the physical and mental health of children and teens through ongoing investments in programs, equipment, research and training at the Stollery Children's Hospital.

It also means planning for the future. Our dream is to build a new, standalone Stollery. A purpose-built children's hospital designed with kids and families in mind. With each passing day, that dream comes closer to reality thanks to supporters like you.

As we celebrate our 25th Annual Snowflake Gala, we want to thank you for showing up and standing up for kids' health. Together, we can give all kids the best chance to live a long and healthy life.

On behalf of our board of trustees, our Foundation team and the countless Stollery families across Western Canada, thank you for joining us tonight and making a life-changing difference for kids right here in our backyard.
